## EVANGELISM SECRETARY IS BACCALAUREATE PREACHER

Dr. William Wonderly '36 of Mexico City will deliver the commencement address at exercises under the trees on the Triangle, Tuesday morning, June 2, at 10:00 a.m., when forty-eight seniors are scheduled to receive degrees. Dr. Wonderly, who was voted the Bryan Alumnus of the Year in 1958, is executive director of all technical assistance given to translators under the American Bible Society in Mexico and Central America.

After graduation from Bryan, Dr. Wonderly attended Columbia Bible College, receiving the M.A. in Biblical education in 1939. Shortly thereafter he joined the staff of Wycliffe Bible Translators as linguistic and translation consultant. At different periods in the succeeding years he attended Indiana University and the University of Michigan, receiving his Ph.D. in linguistics from the latter institution in 1948. In 1956 he became associated with the American Bible Society.

### LINGUIST TO RECEIVE FIRST HONORARY DEGREE

As a part of the commencement, Dr. Wonderly will receive the honorary Doctor of Letters degree in recognition of his achievements in the field of linguistics. This will be the first honorary degree ever to be awarded by Bryan. Dr. Wonderly's achievements include the reduction to writing of the Zoque Indian language of Mexico and contributions to the current revision of the Bible in Spanish to be published this year.

He has taught in the Summer Institute of Linguistics of the Wycliffe Translators and at the School of Anthropology of the University of Mexico. In his position as technical assistant to translators throughout Latin America, he has been responsible for bringing together missionaries and national leaders concerned with the problem of evangelism among the Indian groups.

Dr. Wonderly and his wife with their four children live in Mexico City.

### LAYMAN TO GIVE BACCALAUREATE SERMON

Dr. Harry Denman of Nashville, Tenn., general secretary of the Board of Evangelism of the Methodist Church, will deliver the baccalaureate sermon on Sunday evening, May 31, at 8:00 p.m. in the Rhea Central High School auditorium in exercises opening Bryan's twenty-sixth annual commencement. Dr. Denman, who is not an ordained minister, has been in his present position since 1938. A native of Birmingham, Alabama, he attended Birmingham-Southern College, receiving both the B.A. and M.A. degrees. The honorary Doctorate of Divinity was conferred on him by Athens (Ala.) College in 1936. He is a trustee of Asbury College.

Dr. Denman is known for his fervent spiritual life and has been described as a twentieth century embodiment of the evangelistic spirit of John Wesley. Those who know Dr. Denman and have heard him speak predict that the 1959 baccalaureate service will be one of the best. His subject will be "Living Dynamically."

# Faculty Plan Busy Summer

One of the standards by which the professional growth of a faculty can be measured is that of summer activity and study. Members of the college faculty have announced plans as follows:

Dr. Karl E. Keefer, Jr., dean of the college, will be enrolled at the University of Chattanooga in a five-week summer session continuing his program leading to the master's degree in education. For his thesis, Dr. Keefer will do a research project in the area of admissions directly related to the admissions program at Bryan.

Robert G. Adams, business manager, will attend the University of Kentucky for seven weeks this summer in a program leading to the master's in business administration with a major in college business management. Mr. Adams expects to complete this program the second semester next year.

John B. Bartlett, dean of men, and Miss Jimmie Woods, dean of women, will be traveling with Gospel Messenger teams this summer. Their ten-week tours will cover the eastern two thirds of the United States. Mr. John C. Anderson, associate professor of ancient languages, has become Dr. Anderson by virtue of his Doctor of Theology degree conferred by Dallas Theological Seminary in early May. Frederick G. Bedford, assistant professor of French, has been named alternate in a summer Fulbright study program scheduled for France.
